20 April 2018

Dear Parent/Carer

We will be receiving our annual visit from the Life Education Mobile Classroom on: 8th & 9th May 2018

Life Education is a charity providing health and drug prevention education support to schools. The specially equipped classroom provides an unforgettable experience for the children whilst contributing to our Personal, Social, Health and Citizenship curriculum. The fun, interactive and **age-appropriate** programmes help children to understand the **wonders of the human body** and how to look after it.

- In **Foundation Stage** and **Key Stage 1** *(Nursery to Year 2)* they learn about **keeping their bodies healthy**, **feelings**, being a **good friend** and the **safe use of medicines**.
- At **Key Stage 2** *(Years 3 to 6)* the experienced and specially trained Educators help children to consider the effects and risks associated with the use of drugs, including **medicines, alcohol** and **tobacco**. In addition, children learn about **choices** that can affect health and well-being, skills of **friendship** and how to cope with **bullying** and **peer pressure**.

We would like to invite you to visit the Life Education Mobile Classroom on **Tuesday 9th May at 2.40pm** to find out more about what the children will be experiencing. The session will last 30 minutes and will start ***promptly***.

A voluntary contribution of £2.50 per child is requested to help cover the cost of the visit. **Please give your consent and make your payment using the on-line payment systems which can be accessed via the school website by Friday 4th May.**

Yours sincerely,

D Hunwick
Head teacher
