"Keeping the FUN in Fundraising"

What is FoPS all about and why we need your support?

FoPS is a registered charity run by volunteer parents and staff which aims to raise money to enhance your child's learning experience at Puddletown First School.

Every year, money raised is used to improve equipment and resources for the children and to subsidise many school events such as trips, pantomimes and parties allowing a minimum cost to be charged to parents.

This year we are also raising as much money as we can to pay for projects in the development of the outside area. Please support our events and fundraisers in any way you can.

We really do need everyone's support to fundraise successfully.

Thank you!
