## MATHS EVENING

Dear Parent,

I am pleased to be able to provide you with some information on our forthcoming maths evening that will be on the 15<sup>th</sup> November and run from 6.30pm – 7.30pm.

We will run two ½ hour sessions in each year group to allow those parents with a child in more than 1 year group to hear the presentation.

At each presentation the staff will outline the approach we take to deliver the maths curriculum which features strong elements of the Singapore method for teaching and learning in maths. Staff will also provide you with details of our calculation policy which highlights the methods used to add, subtract, multiply and divide that we are teaching the children in each year group. Lastly staff will explain the assessment requirements within the year group and information on how you can be aware of and support your child's learning goals in maths.

We will also be able to show you some of the range of resources we use in delivering maths to your children.

We hope that you are able to join us and are looking forward to seeing you on 15<sup>th</sup> November.

Yours sincerely,

D Hunwick

---

I will/will not be attending the Maths curriculum evening on Wednesday 15<sup>th</sup> November.

I will be attending the YR/ Y1/ Y2/ Y3/ Y4 presentations
