

## PYO BLUEBERRIES

Thankyou to all those who came and took part in the pick your own event.  
You helped raise an incredible

£75.46

Thanks also goes out to our wonderful helpers, as always we cant run events such as these without your help and also a HUGE thankyou to Katie Priestley and her family for being so generous again and allowing all proceeds to go to FoPS.

## Christmas card, gift tags and gifts

The children have been busily designing their cards over the last couple of weeks and the order forms should be available to go out in the book bags very soon.

### Join us on Facebook

We have a great Facebook Group for anyone to join – search for 'Friends of Puddletown School'. It is a page to share information about school events.

We also have a FOPS volunteer chat group, please just ask if you wish to be added.

We use this to put calls out for volunteers for events throughout the year.

### Paying for fundraising events

We are aware in the current climate that many people aren't using cash or change.

When paying for any events, making donations or paying for orders, to ensure fairness for all we are happy to accept cheques (made out to FOPS) or BACS transfers direct to FOPS.

I would like to get involved with FoPS and be added to their mailing list (please return to the school office).
